

Serving Georgia's Veterans

Sponsor A Vet Now!!!!

Help us send our Vets to Washington DC to visit their memorial by sponsoring a vet.

We would like to introduce you to **Honor Flight**, an all-volunteer, non-profit organization created solely to honor America's veterans for all their sacrifices by offering free flights for the Heroes to Washington, DC to visit their memorials. **Top priority is given to the Senior Veterans-WWII survivors, "The Greatest Generation."** Their memorial was dedicated to them 60 years after their service to this great nation. For their comfort they will be escorted by Guardians (volunteers responsible for their own travel and expenses) who will ensure the veteran's comfort and safety during the day of travel. We have a sense of urgency in getting these brave veterans to D.C. to see our national symbol of our appreciation of their sacrifices in service. Our opportunity to honor them is disappearing. The vets are aging, and their health is failing. We lose approximately 1200 of these vets *each day*. **With your help, we can show our veterans how much we value their contribution and honor their lives before it is too late.**

Honor Flight plans to make several trips a year. Your generous donation will make this possible. All donations are tax deductible and will be used to pay for veterans' plane tickets, ground transportation, meals, t-Shirts, and other incidentals. **Now is the time to honor those who sacrificed so much, but have asked so little. We hope you will take advantage of the privilege to show the admiration and appreciation these men and women deserve. Please give generously, while there is still time.**

Contribution of any size is welcome. We offer Sponsorship Levels

The Expenses for the day trip are \$400.00. Please Sponsor A Vet.
